MEMORANDUM FOR: Chairman, Committee on Procurement of Foreign Publications

SUBJECT: Procurement of Critical Far East Publications

1. Thank you for the effective effort expended and still in progress for the procurement of subject source material.

2. We feel that it would be better in general to wait for final report in all areas before submitting any requests to the Interdepartmental Priorities Committee. However, we do feel that in the case of the People's Liberation Army Daily, it would be desirable to enlist IPC aid in its procurement.
